

# MateVeza

Organic beer brewed with yerba mate, source of the South American herbal tea. The yerba mate provides a dry finish and a natural source of caffeine.

## Yerba Mate is...

- A small subtropical tree native to South America
- Earthy in flavor with herbal & green, grassy nuances
- A natural source of caffeine that many prefer over coffee
- Enjoyed by friends and family in a communal ceremony
- "The best thing to happen to beer since hops!" - Ryan, El Cajon, CA

Brewed in Ukiah, CA by Mendocino Brewing Co. Certified organic by CCOF
